

# ASK BEFORE YOU BAG

## Jackson Hole is Too Great to Waste

The Plastic Bag Reduction Ordinance wants to help Jackson reduce waste, protect our environment, and retrain the brain- but we need your help!

### Bagging Staff, please ask before you bag:

- 1 First, ask your customer:  
"Did you bring your own bag?"
- 2 If the answer is yes, then:  
Thank the customer.
- 3 If the answer is:  
"Oops! I forgot them in the car."
- 4 Then, if time permits, reply:  
"I would be happy to wait for you to get them from your car."
- 5 If the answer is no, then ask:  
"Do you need a bag?"
- 6 If yes, then ask:  
"Would you like to purchase a paper bag or a reusable bag?" (if applicable)
